SILVER LAKE BETTERMENT ASSOCIATION

The Silver Lake Betterment Association held a May Party and a dance Monday Evening at the Club house on Main Street with a large attendance. About 190 persons enjoyed supper served by the women of the organization. Special guest included Rev. and Mrs. Benjamin Seaboyer of the M. E. Church, Charles H. Black, Chairman of the Board of Selectmen, and Frank W. Dayton selectmen. James Reynolds, acting president, was Toastmaster of the evening, and welcomed those present. Rev. Seaboyer offered a prayer, Chairman Black gave a short speech. Following the supper an entertainment was provided by the children of the members, under the direction of Mrs. Louis Cutter, which was in form of a May party. "The Queen" May Sue Reynolds and the "King" Billy Shephard and their attendants, Joan Baker and Marilyn Lynch were entertained by the following numbers: Man in the Moon, by Rita Joyce; recitation, My Shadow, by Elizabeth Melzar; tap dance by Betty Gilligan and Edwin Forrest; piano solo by Jean Melzar; Toe Dance, Marie Baldwin song Neil Joyce, The Band played on, Toe Tap dance by Jean Gearty Toe Dance by Lorraine Forrest and Ann Barry, Mrs. Cutter was the accompanist for the children's program. General dancing from nine until twelve o'clock, concluded the evening. Music was furnished by a local orchestra. The committee in charge of the successful affair included, Mrs. Louis Cutter, General Chairman; Mrs. W. Coogan, Mrs. Ma Miller, Mrs. Thara Smith, Mrs. Peter Neilson, Mrs. Mae Burns, Mrs. Grace Noonan, Mrs. Wilson Thompson, Mrs. Christine Larson, Mrs. Dorothy Carter, Mrs. Mabel Kennedy, Mrs. Michael Barry, Mrs. John Joyce, Mrs. J. Reynolds, Mrs. Margaret Forrest, Mrs. Leo Gearty and Mrs. Nellie O'Reilly. Waitresses were: Mrs. Marion Jost, Mrs. Margaret Baker, The Misses Angela Mead, Evelyn Gredon, Pearl Stewart, Francis Baldwin, Ruth Baldwin, Irene Ongalis, Caroline Coty, Gertrude Sawyer.

WELFARE NEWS

Men assigned to work out their relief, in the Highway department are not allowed to do work on unaccepted streets. It was thought at first that we might be able to have these men do a considerable amount of work on unaccepted sts. but from a ruling by the town counsel it is unlawful to expend public moneys on these type of sts.

Although we have been temporarily checked, we have not given up the idea. We have received the co-operation of the board of selectmen, in doing the preliminary work necessary to have a few of these unaccepted streets accepted.

Relief costs have dropped somewhat, but not to what we expected for this time of year. During the summer months is when boards of public welfare expect a substantial reduction in the cost of relief.

Boys desiring to enter CCC, must get in touch with some member of this board immediately.

BUY A POPPY

Today and tomorrow, representatives of the Nee-Ellsworth Post No. 2485, of the Veterans of Foreign Wars, will circulate about Town, selling Poppies. The proceeds of this sale will go to the National Home for Widows and Orphans of Veterans. A worthy cause. They gave their all for you and I, now we can give something for those they left behind. The small amount you give, you will never miss, and the use it is put to does a lot of good. So let's put the drive over 100 percent by buying and wearing a poppy these two days.

WORLD TOUR ENDS IN—

Robert Daniels, 6 year old, of Jocquith Rd., this Town, decided he would like to see the world one day last week, so he ventured forth into the great unknown.

Arriving in Tewksbury, Officer Chet Burgess hailed him and asked where he was bound for, but received little or no information from Robert, who was determined not to be swayed from his purpose. But! After a little persuasion in the form of something to eat, before he journeyed more he was induced to follow Officer Burgess to the Police Station. While "Redhead" (the only name Robert would answer to) was being treated royally to supper, a broadcast of his description was sent out over station WLLH in Lowell. The broadcast was picked up by local Officer Paul Washburn, who immediately went to the Tewksbury Police Station and ended Robert's tour, much to his chagrin.

SCHOOLS PRESENT CONCERT

Much credit is due Miss Angelica Carabello, supervisor of music in Wilmington, for the wonderful array of talent that was displayed on the Grange Hall stage last Friday evening. The program arranged and directed by Miss Carabello, has drawn praise from every corner of the Town. During intermission, flowers were presented, the supervisor by the High and Daniel T. Buzzell Schools. At the close of the program, Superintendent Stephen G. Bean, spoke of the thrill he received when the local pupils were presented in their blue and white uniforms, at the May Festival in Fall River a week ago. At his request, the pupils changed into their uniforms, that the audience might see them as they were the Festival. The Program was as follows:

AROUND THE FIREHOUSE

Our deepest sympathy is extended to two of our members, William Townsend, James Gracie, in the death of their Mother and Father respectively. Several of the firemen went to Tewksbury, Thursday evening to the Forest Fire Wardens' Banquet. Capt. Foster furnished transportation. Among the invited guests present were, Tewksbury Board of Selectmen, Representative Ward, of Plymouth, Rep. Williams, of Danvers; Rep. Trull of Tewksbury. Firemen from points South of Boston and North as far as Manchester, N. H. were present. A very enjoyable evening was had. Selectman Hark, on behalf of the Wilmington Dept., invited them to meet in Wilmington within the ensuing year. I think these helmets should have been painted red. J. Castine made it black. Well, he did the work, so what? We hear the North Wilmington Dept. has a new hose tower. Who hangs the hose, Williams? We understand he has quite a human fly act. In reading an article in one of the papers last week, although the writer states he may be wrong, (Women are particularly careless about throwing cigarettes out of a car). He states, they don't like to get ashes on their clothes or the smell of an extinguished cigarette on their fingers and they don't want to make the inside of the car untidy. Here the ladies' fastidiousness betrays the forest. But how about the automobile manufacturers providing a proper receptacle for cars, that will put out a cigarette, hold the smell of a dead one, and not just those bucket types you can't even reach the bottom of to quench a cigarette, surely we don't want the ladies to forego their fastidiousness.

WITH THE LEGIONNAIRES
Military Sunday services will be held at the Congregational Church on next Sunday, May 29, 1938. All veteran organizations and their auxiliaries and citizens are invited to attend. Services are at ten forty five A. M. Members of the Legion and the Auxiliary will meet at the Legion Home at ten fifteen A. M. Memorial Day Services start at nine A. M. Please report at the Masonic Hall to be detailed for services at Nee and Reagan Park. Parade starts at ten A. M. sharp. In case of rain exercises will be held at Grange Hall. Fire squad, color guard and buglers report at the Masonic Hall at 8:30 A. M. for detail to parks.

Have you noticed the New Flag waving gloriously in front of the Post Office. A few more old Glories waving in these times wouldn't hurt any.

ST. THOMAS CHURCH

A whist and beano party in aid of St. Thomas of Villanova church was held Thursday evening at St. Thomas hall with a good attendance. Prize winners in whist were: Mrs. Christian Larsen, Mrs. E. A. Welling, Mrs. Margaret Luce, Joachim Correia, Mrs. Mary Fitzgerald, Miss Rose Connolly, Mrs. Thomas Johnson, Miss Catherine Ester, Mrs. Anna McMahon, Mrs. James Castine, Mrs. John Joyce and Mrs. J. H. Murray. The consolation prize went to Mrs. D. Sullivan. Mrs. Oliver McGrane was the winner of the special prize and Miss Catherine Ester, the door prize. Prizes were awarded the winners of beans. The committee in charge was composed of Mrs. Joseph Grimes, Mrs. Mary Fitzgerald, Mrs. Mary and Mrs. Julia Schacht.

Every Monday and Wednesday, after school for the past few weeks, the First Holy Communion Class of St. Thomas Church, has been preparing for the biggest day of their lives, June 5, the day they will receive for the first time. There are many who have not as yet turned in their Baptismal Records, so as a reminder to the parents whose children were baptized in some other Parish, do not forget to forward your child's record to either Rev. Andrew J. White, or Rev. James J. McGlohan, as the child cannot receive without it. After the youngsters receive Holy Communion, a breakfast will be given them at Legion Hall, by the Pastor, Rev. Andrew J. White.

COMMUNICATION

To the Citizens and Taxpayers of
Wilmington:

The following is a resume of the
activities of the School Committee
to date.

The wood contract has been
awarded to Mr. Oliver McGraw
at \$7.50 per cord for soft cleft wood,
and \$10.00 per cord for hard cleft
wood.

The coal contracts have been
kept in town this year by award-
ing the contract for Egg size an-
thracite coal, and Stove size an-
thracite coal, both at \$10.75 per
ton to Mr. Lee; and the Premier

New River Run of Mine Intim-
ous coal at \$6.95 per ton to Mr.
Charles Blaisdell.

The Sanitarium, formerly located
in the rear of the Walker School,
have been removed to the West
School to replace the old ones
there. The moving of this build-
ing was done by the Blaisdell
Transportation Company, to whom
the Committee owes a vote of
thanks for the efficiency with
which the task was handled. The
expenses incurred in this project
were as follows:

1. Taking down the old sanitarium at West School	\$ 8.00
2. Moving, and setting up on posts the new san- itarium	70.00
3. Labor for Carpentry Work and Installation of Vaults under Sanitarium	63.70
4. Hardware, hinges etc.	3.75
5. Cement, clapboards, nails	16.92
6. Sand	8.75
	\$166.11

The steps leading to the Dan-
iel T. Buzzell School, have been re-
paired. Because the steps were or-
iginally laid upon sand, when the
rains found their way beneath the
surface rocks, a general wash-out
resulted, causing a cave-in of the
steps. The work of repairing the
steps was given to Mr. George
Griggs, who has done a wonder-
ful piece of work which will last in-
definitely. He has removed all of
the soft sand fill that formerly
acted as a foundation and replaced
it with a solid foundation of
stone and cement. The expenses in-
curred in this project were as fol-
lows:

1. Labor	\$ 91.00
2. Cement	11.75
3. Sand	8.75
4. Trucking of Stones	5.50
	\$122.00

The contract for a new high
school roof has been awarded to
the Lambert Roofing Company for
\$1555.00. The Company is to fur-
nish the School Department with a
Bird 20 year bonded guarantee.

Feeling that you citizens are in-
terested in the welfare of the chil-
dren of our community, I am in-
serting here a report of the in-
vestigation that I have personally
made of the bus situation.

The three busses that carry our
children to school, are very much
overloaded. This condition, how-
ever, is no fault of the Transpor-
tation Company serving us, as it has
not been authorized to put an ex-
tra bus on the road, nor has it
been authorized to discriminate
against any group of pupils. The
committee has been aware of this
overloading for some time.

The seating capacity of each
bus, allowing 12 inches to each
child, is 43. Being a chartered bus
line, the State allows them to car-
ry up to 25% more passengers
than those for whom adequate
seating accommodations are pro-
vided, which in this case will allow
up to 11 more pupils per bus, making
a total capacity for each bus of
54 pupils.

The present situation is as fol-
lows: The bus which starts at the
Chemical works and takes in West
Street and Woburn Street coming
down Wildwood Street has aver-
aged 72 during stormy weather and
66 during pleasant weather. An
overloading of at least 12 to 19.

The second bus starts at the
Bluehog, takes in Maine Street,
and Burlington Avenue, carrying
to the High School on an average
of 66. An overloading of at least
12.

The third bus starts on Chest-
nut Street from the Woburn line,
and carries at the present time, 40
pupils to the High School. This
is the only time that this bus is
not overloaded.

On a second trip, one of these
busses takes in Burlington Avenue
and Shawheen Avenue, returning
with an average of 64. An over-
loading of 10 pupils.

A second bus, on a second trip,
picks up the Silver Lake group,
carrying an average load of 55. An
overload of at least one.

The third bus, on a second trip,
picks up another group at Silver
Lake and comes down Glen Road,
carrying 68, on an average. An
overloading of 14.

It is an extra bus were added as
a solution to this problem, it would
take part of the four congested
trips, making an average of about
35 pupils to each bus. This new
bus would be able to take at least
15 pupils from the Bluehog to
Eames Street; 25 to 28 pupils from
Eames Street to Woburn Street
and Wildwood Street — a total of
43 pupils on its first trip.

On the second trip, this bus
would go from the High School to
Shawheen Avenue, to the West
School picking up 22 pupils, then
to Lake Street, picking up at last
20 more pupils, and returning to

the High School with 42 pupils.

On the third trip, this bus would
go from the High School to Silver
Lake, taking 28 pupils and then
coming down Glen Road, taking 15
pupils, making a total of 43. This
would keep us in due bounds of
the State Law and afford a seat,
as well as greater security, to each
pupil.

At our last meeting I presented
these facts to our Committee, and
made the motion that an extra bus
be included in our new bus con-
tract that comes up in August. No
action has been taken on this mo-
tion as yet, as one member felt
that the overloading was greatly
due to the riding of those pupils
who live less than two miles from
the school that they attend and
requested a check-up by the in-
surance of tickets to determine to what
extent this is true. Nevertheless,
whether those pupils who live
within a small fraction of the two
miles, are given the convenience of
transportation, or not, depends en-
tirely upon the graciousness of
the Committee.

You voters and taxpayers have
given us, in the last appropri-
ation of \$75,000, sufficient funds to
provide for an extra bus. We are
now paying \$500 per month for
three busses. From January
have spent \$3,000. Starting
September, the extra bus
cost approximately \$107 addi-
tionally, a cost of \$667 for the
month thereafter. This is a
cost of \$2669 for the remainder
of the year, and a grand total of ap-
proximately \$5669 for the fi-
nancial year of 1938.

At our last regular meeting, the
majority of the committee voted
the following increases in teachers'
salaries:

	Increase	New Salary
F. Whittle	\$2 50.00	\$1250
H. Driscoll	1 50.00	1700
B. Steward	1 50.00	1200
S. Hume	1 50.00	1150
C. Harvey	50.00	1200
A. Mullane	100.00	1300
C. Brady	50.00	1000
B. Elstrom	50.00	9

SCOUT NEWS

The rattlesnake troop patrol gave the troop a big surprise Friday night. They brought in a big package and started to unwrap it. There mounted on a loft board snake was a big diamond rattle. This snake was caught in Florida and was sent to the boys awhile back. We hope to have it on display uptown at an early date so be watching for it. It was a sight worth seeing.

Signed Scribe.

In the past week, two meetings have been held by the East Associates, the first at the home of Marion Hancox, Bay Street and the second at Mrs. Maude Stevens, Woburn.

Delicious refreshments were served and it was noted with much pleasure that the 'Double Wedding Ring' quilt was completed.

Why not view it at our Lawn Party June 3? Perhaps you will be the lucky one who takes it home.
